Wheatland Farm is delighted to announce the return of its popular annual charity **Afternoon Tea and Hunt Review on Sunday, May 21, from 2 pm - 5 pm.**

This unique event features an elegant afternoon tea on the lawn at Historic Wheatland Farm (c. 1741), with up-close entertainment provided by the riders, staff, and hounds of the Goshen Foxhounds as they jump obstacles and gallop around the adjacent lake. A traditional stirrup cup will be served, and guests will have the opportunity for photos with riders and foxhounds in traditional attire. A history of the farm, foxhunting, and visits by General George Washington will be provided for guests

All proceeds support The Faith & Family Foundation, a 501 c 3 non-profit that operates Wheatland Farm's programs for individuals with disabilities.
